This Agreement may be renewed

or extended for a period of time to be determined by Commerce at its sole discretion, and without the Board's approval, at any time prior to the Expiration Date. This Agreement terminates, supersedes, and replaces any prior agreement in effect between Commerce and the Board regarding the subject matter set forth herein as of the Effective Date. The period between the Effective Date and the Expiration Date or the termination date is the "Agreement Period." Subrecipient is absolutely responsible for all work performed and all expenses incurred in fulfilling the obligations of this Agreement. If the LWDA is redesignated in whole or in part, or the Board is decertified, then Commerce may terminate this Agreement. If Commerce elects to terminate this Agreement, then Commerce will notify the Board and the CLEO of such termination, when the termination becomes effective, and any termination instructions.

3. FISCAL AND ADMINISTRATIVE CONTROLS.

Commerce will provide funds in consideration for the Subrecipient's successful performance under this Agreement. The State of Florida's and Commerce's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature of the State of Florida. Commerce shall have final authority as to both the availability of funds and what constitutes an "annual appropriation" of funds. The lack of appropriation or availability of funds will not create Commerce's default under this Agreement. If there is a state or federal funding shortfall, then the funding otherwise made available under this Agreement may be reduced. The Subrecipient shall not expend funding provided under this Agreement or made available pursuant to any NFA to pay any costs incurred in connection with any defense against any claim or appeal of the State of Florida or any agency or instrumentality thereof (including Commerce) or to pay any costs incurred in connection with the prosecution of any claim or appeal against the State of Florida or any agency or instrumentality thereof (including Commerce), which the Subrecipient instituted or in which the Subrecipient has joined as a claimant.

- a. Commerce will make funding available to the Subrecipient by issuing NFAs through Commerce's financial management information system, the Subrecipient Enterprise Resource Application (SERA). The Subrecipient's receipt of funding made under an NFA may be conditioned upon the Subrecipient's successful performance of certain requirements prior to the receipt of such funding. The Subrecipient must comply with all terms, conditions, assurances, restrictions, or other instructions contained within the NFA as a condition precedent to the Subrecipient's receipt of funding set forth in the NFA. Except as specifically set forth herein, if a conflict exists between the terms of this Agreement and any NFA, the terms of the NFA shall control.
- b. Accountability for Funds.
 - i. Reduction or Suspension of Funding. Commerce may partially, completely, temporarily, or permanently reduce or suspend any funding provided under this Agreement or funding made available pursuant to an NFA, if the Subrecipient fails to comply with all applicable state and federal laws, rules, and regulations, or the terms of this Agreement or any NFA. Commerce will exercise its authority to reduce or suspend funding in accordance with the applicable federal and state laws, rules, regulations, and policies.
 - ii. Recoupment. Notwithstanding anything in this Agreement or any NFA to the contrary, Commerce has an absolute right to recoup funds. Commerce may refuse to reimburse the Subrecipient for any cost if Commerce determines that such cost was not incurred in compliance with the terms of this Agreement. Commerce may demand a return of funds if Commerce terminates this Agreement.
 - iii. Overpayments. If the Subrecipient's (a) noncompliance with this Agreement or any applicable federal, state, or local law, rule, regulation, or ordinance, terms of any NFA, or (b) performance or nonperformance of any term or condition of this Agreement results in:
 - (a) an unlawful use of funds;
 - (b) a use of funds that doesn't comply with the terms of this Agreement; or
 - (c) a use which constitutes a receipt of funds to which the Subrecipient is not entitled (each such event an "Overpayment"), then the Subrecipient shall return such Overpayment of funds to Commerce.
 - iv. Discovery of Overpayments. The Subrecipient shall refund any Overpayment of funds to Commerce within 30 calendar days of the Subrecipient's discovery of an Overpayment or receipt of notification from

Commerce that an Overpayment has occurred. Commerce is the final authority as to what may constitute an Overpayment of funds. Refunds should be sent to Commerce's Agreement Manager and made payable to the "Department of Commerce." Should repayment not be made in a timely manner, Commerce may charge interest, pursuant to 2 CFR 200.410, at the lawful rate of interest on the outstanding balance beginning 30 days after the date of notification or discovery.

- c. By signature below, the Subrecipient certifies to Commerce that it has written administrative procedures, processes, and fiscal controls in place for the operation of WIOA, WP, TAA, RESEA, JVSG, SNAP E&T, WT, CDBG-DR and any other program for which the Subrecipient receives funds from Commerce. The written administrative procedures, processes, and fiscal controls described in this paragraph must, at minimum, comply with applicable state and federal law, rules, regulations, policies, guidance, and the terms of this Agreement. Subrecipient must update written administrative procedures and policies as applicable at least every four years. Commerce may at any time request copies of the Board's written procedures and policies for review. As needed, Commerce shall provide guidance and technical assistance to the Subrecipient to ensure compliance with this section. If the Subrecipient cannot certify that it has written administrative procedures, processes, and fiscal controls in place for the operation of any program for which it may receive funds at a future date, then as a condition precedent to the award of any funds, the Subrecipient shall establish and adopt such written administrative procedures, processes, and fiscal controls, as necessary for the applicable program.
- d. By signature below, the Subrecipient certifies that it has written administrative procedures, processes, and fiscal controls in place for the payment of supportive services including, but not limited to prepaid gas or prepaid debit cards. Controls must address issuance, storage, and reconciliation of prepaid gas or prepaid debit cards. The Subrecipient must maintain documentation supporting the eligibility of the receipt of supportive services and that the value of the supportive service is consistent with the documented need of the participant.
- e. The Subrecipient shall manage, maintain, and properly dispose of program and financial records in accordance with governing state and federal laws and regulations.
- f. The Board will appoint at least one Regional Security Officer who is responsible for ensuring the Board's compliance with all information system security matters and system access control for users of Commerce-owned systems. The Regional Security Officer will comply with policies and requirements imposed by Commerce.
- g. The Subrecipient will designate a custodian for purchased property and equipment who will be responsible for ensuring the Subrecipient's compliance with 2 CFR 200.310-200.316.
- h. The Subrecipient is responsible for managing real property and leases for all space utilized in the one-stop delivery system. The Subrecipient and/or its designated one-stop operator shall be responsible for all activities involved in securing space for local career centers, ensuring payment to lessors, and cost allocating rent charges, and otherwise managing leases.
- i. The Subrecipient will comply with all federal and state laws, policies, guidance, plans, or other similar documents produced, approved, or disseminated by Commerce, the State Board, or any other entity whose funds are made available to the Subrecipient through Commerce. These documents will be made available on Commerce's website or distributed to the Subrecipient through other means.
- j. Funds provided to the Subrecipient by Commerce may not be used to pay consultants, as that term is defined in 5 CFR 304.102, in excess of \$815 per day and must be documented as reasonable and necessary.

4. PERFORMANCE, REPORTING, MONITORING, AND AUDITING.

- a. Commerce may request from Subrecipient any information related to the Parties' performance under this Agreement. The Subrecipient shall provide any requested information in the form and manner requested by Commerce, within the time frame established by Commerce, so that Commerce may review the Board's performance and compliance and compile and submit information to the appropriate parties. The Board shall

provide timely electronic data to Commerce, via the electronic financial and programmatic data systems established by Commerce in order to allow Commerce to provide accurate reports to state and federal funding agencies, the Legislature, the State Board, and other interested parties, and to review the Board's fiscal status and performance.

- b. The Subrecipient will comply with the audit requirements set forth in Exhibit A on an annual basis and take prompt corrective action with respect to any audit findings.
- c. The Subrecipient shall allow access to representatives of Commerce (including the Office of Inspector General and Office of Civil Rights), appropriate representatives from other state and federal funding agencies, and any other entity authorized by law for the purposes of conducting monitoring, reviews, inspections, investigations, proceedings, hearings, or audits (each a "Compliance Review") without imposing burdensome administrative processes to for such access. The Subrecipient will fully cooperate with any Compliance Review conducted pursuant to this section. Failure to fully cooperate will constitute a material breach of this Agreement and may result in the termination or suspension of this Agreement and any funding provided by Commerce. Commerce reserves the right to, in its sole discretion, decide what constitutes full cooperation under this paragraph. Commerce may exercise its rights under this paragraph at any time and as frequently as Commerce deems necessary. The Subrecipient will reimburse Commerce for all reasonable costs incurred by Commerce for any activity conducted pursuant to this section that results in the suspension or termination of this Agreement. The Subrecipient will not be responsible for costs incurred from activities conducted under this section that do not result in the suspension or termination of this Agreement. Nothing in paragraph (b) of this section, or Exhibit A, is intended to limit the terms of this paragraph (4.c.).
- d. Annually, the subrecipient shall submit the following information electronically to the Bureau of Financial Monitoring and Accountability at FMA-RWB@commerce.fl.gov and upload to SharePoint by the deadlines prescribed below:
 - i. Completed Salary Cap by April 1;
 - ii. Annual detailed budget of revenues and expenditures by funding source no later than two weeks after the budget is approved by the Board and Chief Elected Official(s);
 - iii. Completed Internal Control Questionnaire signed by the Board Chairperson and Executive Director by September 30 or within 30 calendar days after the Internal Control Questionnaire is provided to the Subrecipient by Commerce, whichever is later; and
 - iv. A final indirect cost rate proposal and supporting documentation must be submitted to Commerce's Bureau of Financial Monitoring and Accountability as soon after the Board's fiscal year end closes as practical, but no later than six months after the end of the fiscal year, to the FMA-RWB email at FMA-RWB@commerce.fl.gov. Boards that negotiate their indirect cost rate with a federal agency must submit a copy of the approved agreement as soon as it is available.
- e. The State Board and Commerce have established special guidelines concerning audit quality as guidance for the Board. The Board must procure audit services in accordance with federal law and the applicable state policies that govern the expenditure of federal, state, and non-pass-through funds. The Board is also required to communicate to its independent auditor the following procedures that must be performed:
 - i. It is essential that the auditor tests the Board's reconciliation of its financial records to SERA. The auditor should include a note to the financial statements confirming whether such a reconciliation was performed by the Board in a satisfactory manner.
 - ii. It is essential that the auditor tests the Board's reconciliation of its year-end financial records to ensure the following conditions exist:
 - (a) Each federal award passed through Commerce must balance by the individual Commerce NFA ID#. Each NFA is required to be a self-balancing set of accounts.
 - (b) Net assets of each federal award must equal zero.
 - (c) Federal awards must not have negative cash balances without a sufficient explanation.
 - (d) All cost pools must be allocated to their final cost objectives.

If the conditions do not exist, the auditor should include an explanation in the audit report as to why they do not.

- iii. It is essential that the auditor tests the Board's application of its indirect cost rate agreement negotiated with its federal cognizant agency or Commerce and report areas of noncompliance.
 - iv. Auditors are required under federal audit guidelines to test compliance with federal cash management requirements and to report any material problems.
 - v. Auditors must prepare and submit a management letter specifying those findings and observations not included in the audit report. Providing only a verbal briefing is not acceptable. The Board must prepare a written statement of explanation or rebuttal, including corrective actions to be taken, addressing the deficiencies cited in the management letter. NOTE: If a management letter is not present, this should be stated in the schedule of findings and questioned costs.
 - vi. All funds overseen, managed, or administered by the Board must be included in the scope of the audit and within the audited financial statements. This includes funds that are provided to any auxiliary entity over which the Board exercises any controlling influence, such as a foundation or an association. For purposes of this Agreement, all foundations, associations, or other similar entities are considered to be affiliated organizations and, in some instances, may need to be classified as a component unit.
 - vii. For any affiliated organization, at a minimum the audit report should disclose the entity's mission or purpose; any and all controlling members; summarized financial data including total assets, liabilities, net assets, revenues, expenditures; sources of all revenues; the entity's relationship to the Board's activities; and a statement that the activities of the entity comply with Federal regulations and Florida Statutes, as applicable. The auditor may need to provide other disclosures and presentations (such as a consolidated financial statement) as appropriate after giving proper consideration of applicable accounting standards and other pronouncements regarding reporting of related entities.
 - viii. The auditor should state in the Report on Compliance and Internal Control over Compliance Applicable to Each Major Federal Awards Program that the audit was conducted in accordance with the special audit guidance provided by Commerce in this Agreement.
 - ix. The Board must limit the audit services to no more than five years and then must follow 2 CFR Part 200 and its own policies to competitively re-procure these services. The previous audit firm may be awarded the new contract for audit services through the competitive procurement process if the lead partner of the audit firm had not been engaged as the lead partner with the Board for any of the previous five years.
- f. Commerce will meet, in person or virtually, at least annually with the Board to review the Board's performance and compliance. The Board will strongly encourage the attendance of CLEOs at this meeting. Commerce will notify the Board and CLEO in writing of any findings, deficiencies, recommendations, or other areas of concern. The Board's failure to meet its negotiated level of performance or its failure to comply with state and federal laws, regulations, standards or the terms of agreements between the Board and Commerce may constitute grounds for corrective measures, sanctions and remedies, consistent with WIOA and any policies of Commerce or the State Board. Commerce may require corrective measures to be taken in accordance with applicable state policies. The Board's failure to comply with any reasonable and appropriate actions required by Commerce will constitute a material breach of this Agreement, may result in the suspension or termination of this Agreement, the reduction or withholding of funding provided under this Agreement, the modification of payment structures, or any other sanction or remedy available to Commerce by law and applicable state policy.

5. **THE BOARD'S ONE-STOP DELIVERY SYSTEM.** The Board shall operate at least one physical comprehensive career center with access to partner programs, services, and activities in accordance with 20 CFR 678.300(c), 678.305, and applicable state policy. In accordance with applicable state policy, LWDBs may establish additional service days and/or hours, or services by appointment, at other times to accommodate the schedules of individuals who work during business hours. Centers not open outside of regular business hours should have a plan for how services will be provided to individuals who cannot visit a center during regular business hours.

The following infrastructure elements, set forth specifically in 20 CFR 678.755, must be incorporated into the period of time in which the infrastructure funding agreement is effective. This may be a different time-period than the duration of the MOU.
- b. Identification of an infrastructure and shared services budget that will be periodically reconciled against actual costs incurred and adjusted accordingly to ensure that it reflects a cost allocation methodology that demonstrates how infrastructure costs are charged to each partner in proportion to its use of the career center and relative benefit received, and that complies with 2 CFR part 200 (or any corresponding similar regulation or ruling).
- c. Identification of all career center partners, CLEO(s), and Board participating in the infrastructure funding arrangement.
- d. Steps the Board, CLEOs, and career center partners used to reach consensus or an assurance that the LWDA followed the guidance for the state funding process.
- e. Description of the process to be used among partners to resolve issues during the MOU duration period when consensus cannot be reached.
- f. Description of the periodic modification and review process to ensure equitable benefit among one-stop partners.

The Board must provide a copy of the staffing structure in a comprehensive organizational chart to FMA-RWB@commerce.fl.gov and upload to SharePoint annually by July 1 or within 30 days upon changes to the organizational structure. All necessary changes to the staffing structure chart will be made by the Parties in a timely fashion.

If the Board is unable to meet this timeline, the Board must provide notification to the State Veterans Program Coordinator (SVPC) with written justification for any foreseen delay in filling the vacancy within 25 days of the position becoming vacant. Notifications may be sent to the SVPC via email at VETS@commerce.fl.gov.

- c. The Board will have access to varying types of confidential information as a result of its performance under this Agreement. The Board will protect the confidentiality of any information to which it has access in accordance with applicable law. The Board will obtain guidance from Commerce with respect to confidentiality matters. Commerce will facilitate the Board's requests for guidance from other state agencies.
- d. Staff of the Board, its agents, contractors, subcontractors and any other entity performing services on behalf of the Board granted access to workforce information systems, including systems containing confidential information, must complete Exhibit B to this Agreement, "Individual Non-Disclosure and Confidentiality Certification Form," prior to accessing said workforce information systems. A copy of each completed form must be retained by the Board and made available to Commerce upon request.
- e. Board requests for Commerce data must come from Board executive staff to Commerce. Commerce will not accept data requests from the Board's contractors. Commerce will only grant access to Commerce-owned systems to staff of the Board, its agents, contractors, subcontractors and entities performing services on behalf of the Board.
- f. Commerce may provide the Board access to RA information on an ongoing basis as a result of the Board's use of shared information systems and the provision of integrated services. Access to such information will typically be at no cost (any cost imposed by Commerce will be reflected in a separate agreement between the Parties). Certain RA information is made confidential by section 443.1715, Florida Statutes; and 20 CFR 603.9(b)(1) requires the Board to agree to the following terms as a condition of accessing this information. Commerce will immediately suspend or cease providing the Board access to RA information if Commerce determines the Board is not in compliance with section 443.1715, Florida Statutes, 20 CFR 603, and the conditions set forth below. Commerce may, in its sole discretion, provide access once Commerce is satisfied that the Board has cured the deficiency. The Board shall:
 - i. use the information it receives only for purposes authorized by law and consistent with this Agreement;

 - v. not store the information on any portable storage media device (e.g., laptops, external hard drives, thumb drives, iPads, tablets, or smartphones, etc.);
 - vi. to the extent practicable and considering the arrangement in place under this Agreement (shared information systems), destroy the information after the purpose for which it is disclosed is accomplished in accordance with 20 CFR 603.9(b)(1)(vi). However, the Board may not seek to delete information from Commerce's information systems;
 - vii. to the extent practicable, and considering the arrangement in place under this Agreement, maintain a system sufficient to allow Commerce to conduct an audit of transactions concerning the information;

- g. The Board will immediately notify Commerce of any breach of security, as defined by section 501.171, Florida Statutes, occurring in any operation under its control. If the breach of security concerns data belonging to Commerce, Commerce reserves the right to determine whether the provisions of section 501.171, Florida

Statutes, apply. Commerce will determine if notifications are necessary and, if so, the procedure for making, and the content included in, those notifications. The Board will provide the notifications if deemed necessary by Commerce and will not provide said notifications without prior approval from Commerce. Commerce will not unreasonably withhold approval to send notifications and will make all decisions regarding said notifications as quickly as possible and consistent with the timelines in section 501.171, Florida Statutes. The Board is responsible for all fees and costs incurred due to a breach of security occurring in an operation, program, or physical setting under the Board's control, including, but not limited to, the cost of sending breach notifications.

8. BACKGROUND SCREENINGS.

a. Level 1 Screenings.

- i. The Board will require and obtain a Level 1 background screening as a condition of employment or contract award for all Board, career center staff, contractors, and subcontractors. Additionally, the Board will require and obtain a Level 1 background screening for all individuals performing financial management activities. The Level 1 background screening must be conducted prior to employment or, for contract awards, prior to contractor's employees beginning work. The Level 1 background screening must be conducted at least every five years of consecutive employment, and upon re-employment in all circumstances (including assignment to a new or different contract for Board contractors). The Board will develop a policy for implementing background screenings.
- ii. The Level 1 background screenings are further explained in section 435.03, Florida Statutes. The Board will contract with an FDLE-approved provider to perform the Level 1 background screenings. The Board is responsible for all costs associated with obtaining the Level 1 background screening described in this section.

The list must include, but need not be limited to, the name of the individual, the last four digits of the individual's social security number, the date the screening was completed, the date the results of the screening were reviewed, and the individual responsible for reviewing and approving the employment or access granted to the individual that was the subject of the screening.

The plan must identify and describe the policies, procedures, and local activities that are carried out in the LWDA consistent with the state plan and must contain all content required by Commerce. Further, the plan must describe the Board's methods for ensuring the needs of workers and youth, and individuals with barriers to employment, including individuals with disabilities, are addressed in the provision of necessary and appropriate access to services, including access to technology and materials, made available through the one-stop delivery system. The Board will continue to develop and update its local plan in accordance with applicable provisions of law and as directed by Commerce or the State Board.
- b. E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States. There is no charge to employers to use E-Verify. The Department of Homeland Security's E-Verify system can be found at: <https://www.e-verify.gov/>.

 - (2) An employer shall verify each new employee's employment eligibility within three (3) business days after the first day that the new employee begins working for pay as required under 8 CFR. 274a. Beginning July 1,

2023, a private employer with 25 or more employees shall use the E-Verify system to verify a new employee's employment eligibility.

If an entity does not use E-Verify, the entity shall enroll in the E-Verify system prior to hiring any new employee or retaining any contract employee after the effective date of this Agreement.

EXHIBIT A AUDIT REQUIREMENTS

The administration of resources awarded by the Florida Department of Commerce (“Commerce”) to the recipient may be subject to audits and/or monitoring by Commerce as described in the Agreement and as described further in this Exhibit. No provision of the Agreement is intended to limit the terms of this Exhibit, and no provision in this Exhibit is intended to limit the terms of the Agreement. The term “contract,” as used throughout this Exhibit, means the Agreement, and any individual subaward granted to the recipient through a Notice of Fund Availability (NFA).

MONITORING. In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, Florida Statutes (F.S.), as revised (see AUDITS below), monitoring procedures may include, but not be limited to, on-site visits by Commerce staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by Commerce. In the event Commerce determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by Commerce staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS.

PART I: FEDERALLY FUNDED. This part is applicable if the subrecipient is a state or local government or a nonprofit organization as defined in 2 CFR §200.1.

1. A recipient that expends \$750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. Attachment 1 to this form lists the federal resources awarded through Commerce by this agreement. In determining the federal awards expended in its fiscal year, the subrecipient shall consider all sources of federal awards, including federal resources received from Commerce. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. An audit of the subrecipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.

3. A recipient that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. If the subrecipient expends less than \$750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than federal entities).

PART II: STATE FUNDED. This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a state single or project-specific audit for such fiscal year in accordance with section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.
2. For the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of section 215.97(8), F.S. This includes submission of a financial reporting package as

defined by section 215.97(2), F.S., and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than \$750,000 in state financial assistance in its fiscal year (for fiscal years ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of section 215.97, F.S., is not required. If the recipient expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than state entities).

The Board will obtain the internal control work papers from the auditor(s) performing its annual independent financial statement audit.
